PURPOSE: The purpose of this directive is to update USAID guidance relative to the Defense Base Act (DBA) rate.

BACKGROUND: USAID's contract with Fidelity and Casualty of New York to provide Defense Base Act (DBA) coverage to USAID direct and host country contractors includes a provision for periodic adjustment of the basic rate. The fixed rate for the first two years of the contract, October 1, 2003 - September 30, 2005, was \$2.15 per \$100 of employee remuneration.

GUIDANCE: Based on recalculation of the initial rate (incurred losses divided by earned premium) the rate for the first option period, October 1, 2005 through September 30, 2006, is \$1.66 per \$100 of employee remuneration for new insurance policies issued by the insurance provider. Insurance policies that USAID contractors have purchased from the insurance provider prior to September 30, 2005 will remain subject to the \$2.15 rate until their expiration.

This AAPD supplement is effective as of October 1, 2005, and other than the specified rate, all terms of the original AAPD remain as originally stated.
